DETAILED ACTION

Allowable Subject Matter

1. Claims 1-30 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art fails to show a system comprising: a multilevel quantized feedback stage including an analog-trimmed nonvolatile reference circuit and analog nonvolatile reference current sources as called for in claims 1 and 10; and adjusting the MSB reference current source to provide a reference current that matches the lower-order combined current as called for in claims 19 and 25. Therefore, claims 1-30 are presently allowed.

Conclusion

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John B Nguyen whose telephone number is (571) 272-1808. The examiner can normally be reached on 8:00AM-5:00 PM M-F.
